Voluntary return of Olympic Gold Medal

Dear Mr Hamilton,

I acknowledge with thanks receipt of your letter dated 28 June 2012, in which you request the IOC to withdraw your name from the official record of Olympic champions and disclaim any interest in the Olympic gold medal from the Men's Individual Time Trial cycling race at the 2004 Athens Olympic Games.

In particular, I very much appreciate that you have expressed regret for having used performance enhancing drugs and that you hope that, through your example and future efforts, this will discourage others from using performance enhancing drugs.

Good luck in your future endeavours.

Yours sincerely,

A handwritten signature in black ink, reading "Jacques Rogge".
